

Oldsmobile

The following list contains the systems we can make. The systems listed as "Complete" contain all the standard wiring for the front and rear sets. All systems listed are covered by our **limited warranty**.

If your automobile is not listed we will need the original system for research (refer to **No System Listed**).

NOTE: SAVE YOUR OLD WIRING UNTIL THE NEW SYSTEM IS INSTALLED AND TESTED. EVERY YEAR HAS UNIQUE LIGHT SOCKETS AND / OR FITTINGS WHICH MUST BE REUSED.

-The following list contains the systems we can make. The systems listed as "Complete" contain all the standard wiring for the front and rear sets. Those listed as "Front Set" contain all the wiring for: dash, engine, head lights, and park lights. Those listed as "Rear Set" contain all the wiring from the dash to the rear tail lights. The term "Hydroelectric System" is the separate wiring system for power top and windows.

-All systems listed are covered by our limited warranty. If your automobile is not listed we will need the original system for research (refer to No System Listed for details).

Note: Save your old wiring until the new system is installed and tested. Every year has unique light sockets and / or fittings which must be reused. All prices subject to change without prior notification.
