

Pontiac and Oakland

The following lists contain the systems we can make. The systems listed as “Complete” contain all of the standard wiring for the front and rear sets. Those listed as “Front Set” contain all of the wiring for: dash, engine, head lights, and park lights. Those listed as “Rear Set” contain all of the wiring from the dash to the rear tail lights. All systems listed are covered by our **limited warranty**.

If your automobile is not listed we will need the original system for research (refer to **No System Listed**).

NOTE: SAVE YOUR OLD WIRING UNTIL THE NEW SYSTEM IS INSTALLED AND TESTED, EVERY YEAR HAS UNIQUE LIGHT SOCKETS AND / OR FITTINGS WHICH MUST BE REUSED.

-The following lists contain the systems we can make. The systems listed as "Complete" contain all of the standard wiring for the front and rear sets. Those listed as "Front Set" contain all of the wiring for: dash, engine, head lights, and park lights. Those listed as "Rear Set" contain all of the wiring from the dash to the rear tail lights.

Note - From 1939 to 1954 we do not have the rear wiring harnesses for most models. We have included with each front set a kit of wire and terminals so you can wire the rear electrical components. If you wish to provide your original rear set when you order, we will research it and make a new set to match it for \$ 290.

-All systems listed are covered by our limited warranty. If your automobile is not listed we will need the original system for research refer to No System Listed for details).

Note: Save your old wiring until the new system is installed and tested. Every year has unique light sockets and / or fittings which must be reused. All prices subject to change without prior notification.
